## Fees & Pricing

A non-refundable diagnostic fee is required for all service work. In some cases, an environmental service fee of \$14.99 may also be applied.

Tune-up prices represent labor and environmental fee; Parts are an additional cost. If the total cost of a tune-up exceeds the listed capped dollar amount, we will provide you with a detailed estimate (including parts and labor) before performing additional work.

### Example: Snowblower Tune-up

**Labor rate = \$100   Parts cost = \$60**  
**Total = \$160 (no estimate will be given)**

**Labor rate = \$100   Parts cost = \$101**  
**Total = \$201 (detailed estimate will be given)**

\*Prices effective January 2025; subject to change without notice.

## About East Coast Lumber

### Equipment Sales, Rentals & Service

**Sales:** East Coast Lumber is an authorized sales and service center for many branded manufacturers. From STIHL chainsaws and Bob-Cat mowers to Makita power tools and Generac generators – we're the local store for your power tool and equipment needs.

**Rentals:** Renting tools & equipment from East Coast Lumber is easy! Our professional staff will assist in choosing the best tool for the job and demonstrate how to operate it safely.

**Service:** The Service Department at East Coast Lumber is staffed with factory-trained & certified technicians fielding everything from tune-ups on lawn & garden equipment to power tool & small engine repair. We are a certified warranty center for over 15 tool & equipment brands, including Briggs & Stratton, Generac, Kawasaki, Makita, MTD, Timberwolf, and more.
